

# The Petersen Family in Uganda

November 2017-January 2018

Marlin, Lisa, Daniel,  
and Abigail Petersen

Greetings to you in the name of our Lord and Savior, Jesus Christ! There is much to share with you in this newsletter.

November started well with a notification from our home church that the final work was being done before the buildings would be sold and we would move to a new property. As the chapters of Windsor Hills Baptist Church have come to a close, we have seen God's blessed hand in the formation of Higher Plain Baptist Church. As our pastor says, "A New Name, A New Neighborhood, The Same Message, The Same Mission."

Roof repairs being finished

Kisojo Fence

November was a productive month in preparing Kisojo property for teen camp in January. All the posts that we made have been put in the ground and have had barbed wire hung on them. We have already noticed a great improvement in the decrease of traffic going through the property, but there is still vandalism taking place. Pray for us as we make and put in the rest of the necessary posts.

November was also a good month for planting the seed of the gospel. On November 26<sup>th</sup>, Daniel went to speak with Marvin. He is related to our national pastor's wife and is in the area on a boarding-school break. Marvin trusted Christ as his Savior that evening and is doing discipleship.

December also started well when Lisa went to the house next to Marvin's to talk with Eva. Eva had been coming to church and teen class sporadically for the previous few months. When confronted with the plan of salvation, she readily received Christ as her Savior.

Eva saved and discipled

She has been doing discipleship lessons ever since, at a pace that has allowed her to finish the set of lessons before going back to school in February. What a blessing!

Robert, the song leader of Masaka Independent Baptist Church, married Moreen, a faithful member, on December 16<sup>th</sup>. They are both students in the Bible College. We look forward to the Lord using this couple in a special way.

I am out of room, but, in short, during our missions conference, MIBC committed to double last year's Faith Promise giving. In the Ladies Conference, over fifty ladies were challenged to "connect the dots" of God's will. There was also a Tri-annual Bible Institute along with Teen Camp in January. I will give more details about these things in the next letter.

Because of Christ,

*Marlin Petersen*
