

The Petersen Family in Uganda

September and October, 2018 Report

Marlin, Lisa, Daniel,
and Abigail Petersen

Labor Day with Daniel

In mid-September, we finished a five week stay in north Texas with a meeting at Central Baptist Church in the town of Center. Lisa and Abigail enjoyed attending a ladies retreat with some of the ladies from the church. While in Texas, we had meetings with ten supporting churches and visited two new churches. On labor day, Daniel was out of school, so we made a two day trip to spend some time with him. We went to the Oklahoma City Zoo and to Pops Restaurant in Arcadia, OK.

He is doing well in college and working at our home church.

Abigail in the snow

In late September, we began a stretch of five weeks of missions conferences. We traveled from Arkansas to Union City, TN, across to Frederick, MD, back to Omaha, NE, down to Oklahoma City, and up to Michigan, where we are currently spending two weeks visiting family and new churches.

In Omaha, we attended the missions conference of Midwestern Baptist Church where we saw snow for the first time in six years! Then, in Oklahoma City, we attended the missions conference of our home church, Higher Plain Baptist Church; the first one in the new building. It was a tremendous five day conference with two other missionary families. Many needs were met during the week. We are so grateful for the home church God has given us.

When we left for the field originally, we had one-hundred prayer partners. These were people who made a commitment to pray for us every day. That number has dwindled over the years. We have no forwarding address for some and others have gone on to heaven. Please pray for us to be able to sign up enough prayer partners to bring our total to one-hundred again. We keep the new prayer partners updated with current prayer requests by email.

I am so very thankful for those with whom we work in Uganda. They are continuing the efforts of evangelism, discipleship, training pastors and planting churches.

Kisojo discipleship class

Charles Ddungu, Robert Waibi, Charles Ssegawa, missionary Keith Stensaas, and others, are doing a great job at the things that we have had a part of in the past. Charles Ssegawa is faithfully working in the village of Kisojo and continues to involve many of his disciples in the process. Please pray for all these men and their work.

Sincerely in Christ,

Marlin Petersen
