

The Petersen Family in Uganda

January-February, 2019 Report

Marlin, Lisa, Daniel,
and Abigail Petersen

Greetings to you in the name of our Lord and Savior, Jesus Christ! The last two months of furlough have been a tremendous blessing and answer to many prayers.

Having recovered from most of our sickness by the first week of January, we were still concerned about Lisa and her pneumonia diagnosis. Returning to the same emergency room for a follow-up, we were told her lungs were clear, but her pain was probably coming from the ribs. Her coughing had caused a separation of the rib bone from the cartilage. A twelve week recovery is the only cure, so please continue to remember her in prayer.

Kisojo children after their class

In January, the holiday Bible classes in Kisojo seemed to meet a need amongst the primary-aged children. Three classes per week continually increased in attendance over the entire month. Fifteen children received Christ as their Savior during the classes. On the first Sunday in February, there was a concluding service. Eighteen of the parents who had sent their children to the classes attended the Sunday service, along with six other visitors. Seven adults were saved, as well as another five children, for a total of twenty-seven salvations during that particular outreach ministry!

Please continue to pray for Charles as he takes the next steps to help people grow in the Lord. He works with such a wide array of people. Each one takes the Lord's leading to find and meet their challenges. There are opportunities to have other ministries, but the needs are great, and fellow-laboring Ugandan Christians are few in that area.

Seven adults saved in a service

In the last two months, we have been able to present a report at twelve supporting churches as well as two new churches. We also visited three other churches along the way. In January, we spent some time at our home church where Daniel is doing well in his second semester at Oklahoma Baptist College.

Masaka Baptist College Graduates

In January, Robert, Wilson, Beatrice, and Kizza graduated from Masaka Baptist College. They are each involved in the ministries of the church. One past graduate, Paul, wrote me recently, saying, "I have just come from Bukakata ministry and God saved 4 people from hell...looking forward to taking Pastor Keith there so they can be baptized." Thank you for helping us as we seek to help others serve the Lord and see souls saved.

Sincerely in Christ,

Marlin Petersen
