Greetings and Happy New Year from Uganda!

In late October, we returned from Wisconsin to Oklahoma City for preparations to return to Uganda. On the way, we had two good meetings in Arkansas. In Oklahoma, many friends were testing positive for COVID. We navigated our way through the month without contracting it ourselves. That included our time at Fort Sill attending Daniel's graduation from basic training, which went very well. We were thankful for the opportunity to also spend extra time with Abigail during the last week before flying out.

Daniel's Graduation

We tested negative and flew out on November 19th with safe passage all the way to Uganda, for us and our luggage, within 24 hours! Unfortunately, I did experience COVID symptoms later in December, but I am fine now.

Ladies Conference

Otherwise, we have had a tremendous month of settling into life here once again. It started with a blessed Thanksgiving celebration involving many missionary families, some of whom we had never met. Lisa attended a ladies conference during our first week back in Masaka. Then, we drove back to Kampala for the 19th anniversary service of Gospel Light Baptist Church. We were involved in their charter service, so it was good to see them being faithful so many years later.

Next was the missions conference in Masaka where the church increased their faith promise missions giving commitments over last year.

Finally, the Christmas service in Masaka was well attended and Charles reported that their services in Kisojo and Kisaaka resulted in a total of 5 visitors attending along with 8 people being saved. That evening, they also had an activity for the church and neighborhood kids.

Christmas Day in Kisojo

Please pray for Charles as he recovers from COVID, for good fruit to come from the January Tri-annual Bible Institute, and for us as we lead the teenage class at an annual missionary field conference. Bible college starts in February and I will be teaching a class on the book of Genesis. Thank you for your part in helping us to preach the gospel in Uganda through your faithful prayers and support. We couldn't be here without you. Thank you also to every church and individual who sent special Christmas gifts.

Sincerely,

Marlin Petersen
